

## **MULTIMEDIA EXECUTIVE PRODUCER**

We're searching for an experienced news professional who knows how to manage people and supervise news on various platforms.

### **Essential Job Duties and Responsibilities:**

The successful person will be a key member of the management team, supervising the night team and making smart decisions to win coverage and content on TV, the web and mobile.

The person we're looking for lives for breaking news and can't wait to share it with the DMA. He/she has strong leadership qualities, ethical decision making, good editorial judgment, strong writing skills and creative abilities.

This person must be committed to motivating and mentoring the team and communicating the brand and station strategy in the newsroom and through multimedia content.

### **Qualifications:**

A bachelor's degree in journalism or equivalent preferred.

At least three years experience as a producer in a large market or a supervisor in a smaller newsroom.

Advanced skills in planning coverage and knowledge of broadcast communication laws for TV news and the web, required.

Understanding of broadcast, web and social media.

Ability to work well as a leader and within a team.
