

Plant Partners, Inc. is currently looking for merchandisers to work in the Outside Lawn & Garden department of Wal-Mart stores here in Knoxville. If you enjoy working with plants, working outdoors, and want to join a dynamic company with great opportunity for advancement, then we hope you might join our team!

The Merchandising position is a temporary part-time position with varying hours throughout the year. Our merchandisers work in major retailers to assist garden center personnel in the merchandising of live nursery products organized by category. Duties include the unloading, moving, and consolidation of live goods, as well as helping to set displays and execute special projects and resets. The ideal candidate will have merchandising experience and/or plant and gardening knowledge, but training is also available for enthusiastic and hard working individuals with a desire to learn more about the lawn and garden industry. Merchandisers must also have a positive and professional attitude, phone contact, valid email address, and be able to pass the required back ground check.
