

WVLT/GRAY TELEVISION JOB DESCRIPTION

9-16-13

Job Title: Producer

WVLT, Local 8 News, the CBS affiliate in Knoxville, TN (DMA 61) is looking for a dynamic Producer. If you understand what it takes to write and showcase news stories with accuracy and develop shows that live the brand, we want to hear from you. You should have great writing skills for multiple platforms, be creative with graphics and video, have solid and ethical news judgment and understand libel laws. The ability to execute time sensitive decisions in a calm and rational manner is essential, as well as clear communication skills in the newsroom and the booth. An understanding of digital reporting and producing, microwave and satellite live technology, as well as social media required.

College degree in journalism or related discipline. At least one year producing experience at a commercial station preferred.

WVLT-TV is located in a vibrant city, home of UT and just a short drive from the Smoky Mountains.
