

2023 Fall In-House Tuition Payment Plan – Current Balances

The monthly tuition payment plan is intended to help students pay the cost of their higher education during all terms of the academic year. Payment plans do not incur interest charges; however, there is an enrollment fee per each plan. Enrollment fees are nonrefundable and are due at the time of enrollment. The plan distributes the cost of tuition, fees, housing, meal plans and incidental charges on the student's account into affordable monthly payments. **Monthly installments will be due on the 15th day of the payment month.** Payment plan amounts will adjust as new activity occurs (payments or charges) on the students account. New payment amounts will take effect on the following month's payment. Email notifications will be sent to the student with the new payment amount. A restrictive hold will be placed on the students account for payments that are not received by the payment due date and will prevent the student from registering for future terms. **A \$50.00 late fee charge will be placed on student's account for any late payments received past the due date.** Transcripts will be held until all payment plans are completed and balance due is paid in full.

Fall Term 2023 \$40.00 fee

Terms and Conditions:

The student, who has completed the Tuition Pay application, promises to pay to Tusculum the sum of all tuition, fees and any other institutional charges due in full by following the monthly plan identified above. In case of default or delinquency in this payment plan, a late charge of fifty dollars (\$50) shall be assessed against each late payment. Payments are due on the fifteenth (15th) day of every month listed on the plan selected. The student understands that failure to pay in full by the final date will result in the following: 1) I will continue to attend current classes but I will not be able to receive formal grade reports or transcripts, 2) I will not be able to register for future terms, 3) I will not receive a diploma if I graduate, 4) my debt may be referred to a collection agency, and 5) I may have to pay collection costs and/or attorney fees.

If the applicant withdraws, is expelled or dismissed from the Institution for any reason, the entire unpaid amount shall immediately become due and payable. In addition, the student's account will be placed on "HOLD" and will not be permitted to register for future semesters or receive a copy of the academic transcript until the obligation is paid in full, including penalties.

The Applicant understands the application and note only postpones charges due to the Institution and no waiver is assumed. Transcripts and grades will be held until the final payment is made. **Even if the Applicant receives no further billing information, the Applicant accepts responsibility for this debt. If the applicant is under 18, a guarantor is required for this payment plan.**
